SUBMISSION OF INFORMATION REQUEST CA-IR-3.a
DOCKET NO. 2022-0226

CA-IR-3

Ref: Application, page 7-8.

The application states:

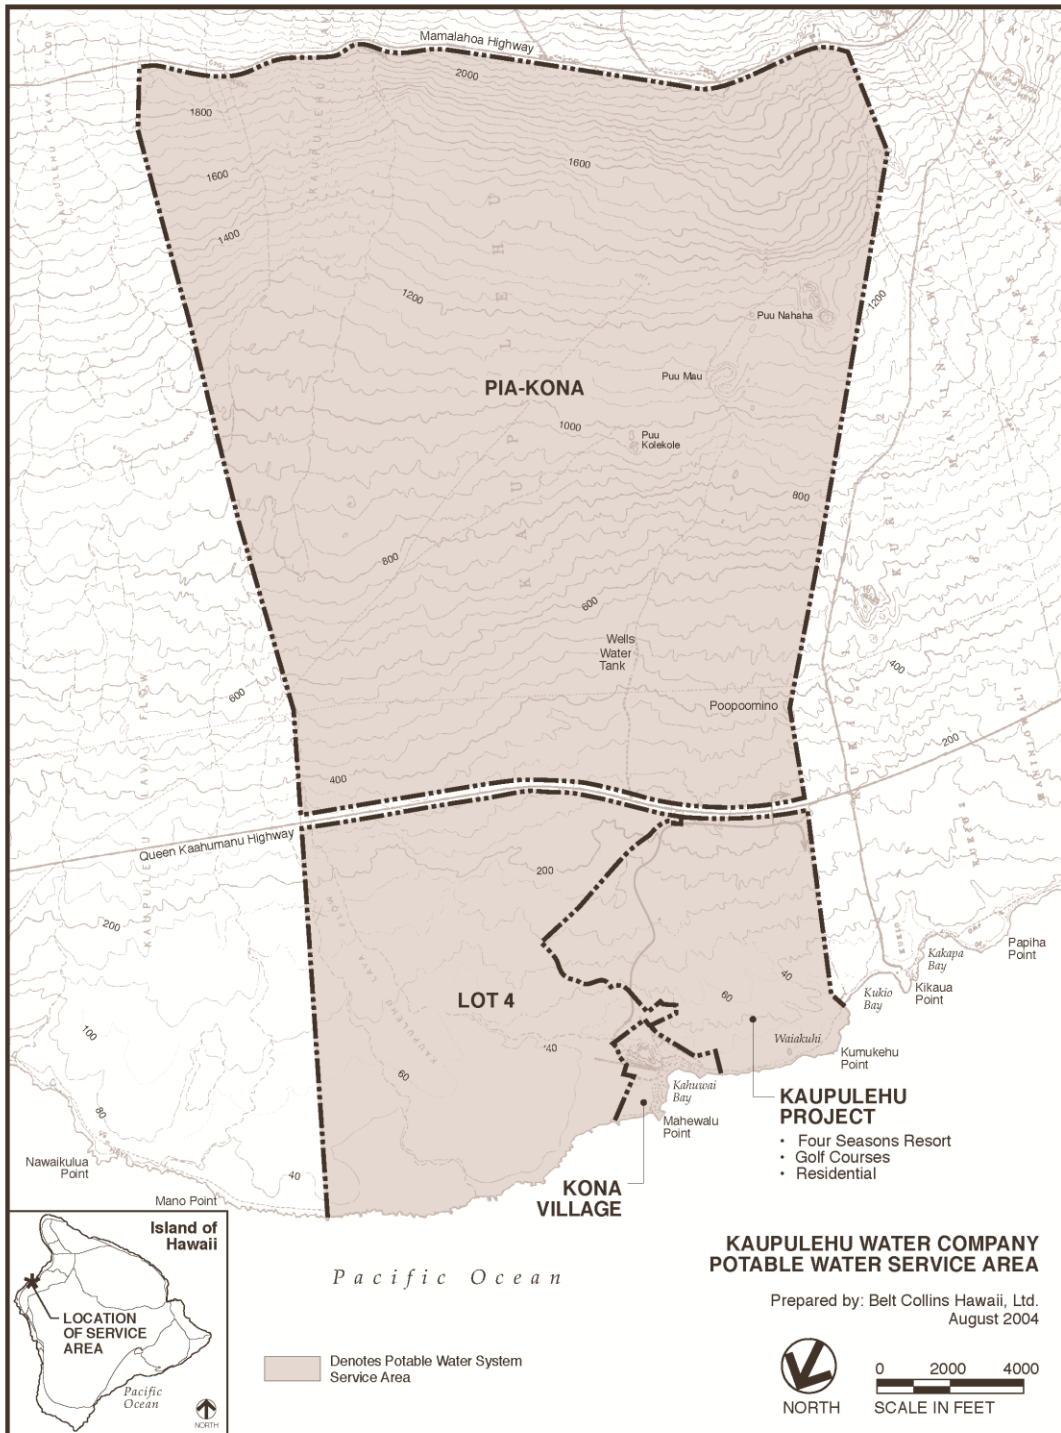

With or without the change to the indirect ownership interests of KWC and KWWC, both companies will need to file rate increase applications in order to obtain revenues that will recover, among other things, operating expenses, depreciation and a reasonable return on rate base. Given that the continued operation of both companies is essential to the successful operation of the Hualalai Resort owned by Common Equity Holdings, it is expected that the upstream indirect owners of KWC and KWWC will maintain the financial solvency of both companies pending approval of rate increases on terms mutually acceptable to KWC, KWWC and the upstream owners.

- a. Please provide a complete copy of KWC's and KWWC's current rules, regulations, tariffs and rates.

Supplemental Response: A copy of KWC's current service territory map is attached hereto as **Exhibit A-1-1.**
