**Subject:** Acceptance of Programmatic Final Environmental Impact Statement  
Addition of Wastewater Services for the Puna District

Dear Director Evans and Director Mansour,

I hereby accept the Programmatic Final Environmental Impact Statement (PFEIS) for the Addition of Wastewater Services for the Puna District, as satisfactory fulfillment of the requirements of Chapter 343, Hawai'i Revised Statutes and Hawai'i Administrative Rules (HAR) Title 11, Chapter 200.1. The procedures for assessment, consultation process, review, and the preparation and submission of the Programmatic Environmental Impact Statement (PEIS), from proposal of the action to publication of the PFEIS, have all been completed satisfactorily; the content requirements have been satisfied; and comments submitted during the review process have received satisfactory responses and have been appropriately incorporated into the PFEIS.

The economic, social, and environmental impacts that will likely occur, should this project be implemented, are adequately described in the statement. The analysis, together with the comments made by reviewers, provide useful information to policy makers and the public.

My acceptance of the statement is an affirmation of the adequacy of that statement under the applicable laws. I find that the mitigation measures proposed in the PFEIS will minimize the negative impacts of the project. In implementing this project, I direct the

Department of Environmental Management to perform these or comparable mitigation measures at the discretion of the relevant agencies.

Sincerely,

Mitchell D. Roth,  
Mayor, County of Hawai'i

**Action summary**

The Proposed Action is the addition of wastewater collection, treatment, and disposal infrastructure and services for the Project Area. The action would provide efficient, technologically advanced, and resilient wastewater collection, treatment, and disposal infrastructure and services, primarily to town and village centers in the Project Area.
